

Return Shipping Instructions

Important Note: Keep All Included Paperwork, Packing Materials & Box

A Big Mahalo from us at Hawaii Camera for choosing us for your rental needs!

We want your rental experience to be smooth and trouble free. We've included some helpful instructions and hints to ensure your rental goes without a hitch.

Included with these instructions you will find

- Your equipment
- A prepaid return label
- Invoice

On the last day of your rental pack up the equipment, tape the box closed, affix the prepaid label and take to a staffed shipping location.

For your protection obtain a shipment drop-off receipt for your records and never leave the package at a drop box.

Commonly asked questions!

Do you want to extend your rental?

Email support@hawaiicamera.com with your order number to see if an extension is available. We can usually accommodate the extension if another person has not reserved the item(s) you have.

Need Help Figuring Out the Gear?

Contact us and we'll do our best to walk you through maximizing your experience with the equipment.

Does Hawaii Camera sell equipment?

We do have a list of our used equipment on our website. Please visit hawaiicamera.com for the most updated information on what is available.
